

PIERCE FENCE

Since 1969

WHO WE ARE

Pierce Fence is a dedicated fence company that has built a reputable name in Delaware and surrounding areas. The Pierce name has become synonymous with the pursuit of quality and service that has made it one of the most well known names in the business. We started when a simple hand-shake would suffice in business. Today, we offer a variety of displays and samples. We specialize in custom projects and fabricate our own vinyl.

WHY CHOOSE US

If you are looking for a dependable fence contractor then Pierce Fence is right for you. We have been serving the Delmarva area for over 45 years. We have built our reputation by selling quality fence products at a fair price and having good customer service. We stand behind our workmanship whether it is a residential or commercial job, small or large. We have the experience to get the job done right. We put our name on your fence so we make sure it is completed correctly. We stand true to our customers, and the Pierce name.

Protect & Enhance the value of your property.

Vinyl

If you want a fence that is maintenance free, vinyl is the choice for you. We carry 100% virgin vinyl. It is guaranteed to not peel, flake, corrode or attract termites. It is designed to eliminate brackets, nails and screws. Our fence is routed and notched making it a quality install. Pierce Fence is sure to help you create a yard enclosure that you will admire for many years to come.

Wood

If you are considering a wood fence, red cedar is the optimal choice and is superior to other types of wood. It contains natural oils that make it resistant to insects, mold and warping making it the most durable wood. If you are looking for a more cost effective wood fence, your option is a milled stockade fence. It's available in 4' and 6' high.

FINANCING AVAILABLE

Aluminum

An aluminum can fence can offer beauty and the protection of traditional wrought iron fencing without the maintenance. It is a great choice if you are looking to add curb appeal to your property. It is available in many heights and colors to meet the look you desire.

Rail Fence

A rail fence is a cost effective choice and is popular among many HOAs. Three rail styles, wood (split rail) or vinyl (ranch rail), can be installed around a pool or used to enclose and mark your property lines. You can add a welded wire to either style to keep beloved pets or children safe.

Chain Link

Chain link is a great economical choice for a yard enclosure. It can be used to mark boundary lines, confine a pet, or keep children safe. Chain link is effective and can be aesthetically pleasing. Chain link is available in galvanized steel or all black vinyl coated. Other color options are available for special order.
